

15TH AUSTRALASIAN POLYMER SUMMER SCHOOL (15APSS)

University of Western Sydney Village, Parramatta North Campus,
Corner of Pemberton Street and Victoria Road, Parramatta, Sydney NSW 2150,
4-6 February 2014

OVERVIEW OF SUMMER SCHOOL:

The RACI Polymer Division and the CRC for Polymers are jointly sponsoring the 15th Australasian Polymer Summer School. This provides an excellent opportunity to gain an overview of important developments in polymer science and engineering from experts in their fields. Anyone interested in the topics to be presented is encouraged to register.

WHO SHOULD ATTEND?

- Students enrolled in higher degrees;
- Undergraduate Engineering and Science students;
- Postdoctoral fellows;
- Anyone with a technical interest in polymers and polymer research.

PRESENTERS AND TOPICS:

- **Dr Chris Fellows, University of New England**, 'An introduction to polymers'.
- **Dr Graeme Moad, CSIRO**, 'Polymer synthesis by RAFT polymerization'.
- **Dr Patrice Castignolles, University of Western Sydney**, 'Characterization of polymers by size exclusion chromatography'.
- **Dr Marion Gaborieau, University of Western Sydney**, 'NMR characterization of polymers'.
- **Prof Emily Hilder, University of Tasmania**, 'Synthesis, characterisation and selected applications of porous polymers'.
- **Dr Elliot Gilbert, ANSTO**, 'Small angle scattering and its applications in polymer science'.

Co-sponsors: RACI Polymer Division and the CRC for Polymers

Location, University of Western Sydney
